

# Classroom Tips From OT/PT

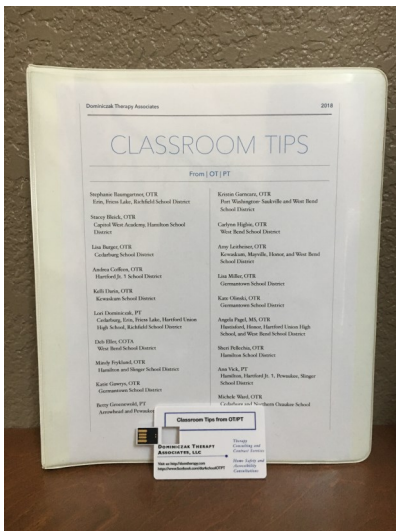

**DOMINCZAK THERAPY ASSOCIATES, LLC**

*Setting High Expectations and Attaining Superior Outcomes*

Looking for resources to share with classroom teachers and parents to promote carryover and collaboration? Wishing you had a one-stop resource with handwriting tips, shoe-tying instructions and much more?

Created by Dominiczak Therapy Associates' Therapy Team, this **Classroom Tips from OT/PT** binder or USB is just what you need to complement your school-based therapy practice and is now available for purchase. The contents are designed as short, informational handouts for teachers and parents offering loads of practical tips for classroom and home use. The USB contains all of the forms found in the binder for quick and easy access, allowing placement on your district website.

- *Fine Motor Skills*
- *Spacing Difficulties*
